Dear Jerry Berry:

Re: City of Nanaimo – Boundary Extension

Enclosed are the following:

1. Copy of Order in Council No. 0601, approved and ordered June 19, 2003. The OIC issues the two sets of Supplementary Letters Patent (SLP);
2. Original SLP for the City of Nanaimo, extending the boundary, effective June 19, 2003; and
3. Copy of SLP for the Regional District of Nanaimo, pursuant to Section 782 of the *Local Government Act*, also effective June 19, 2003. This formally transfers the jurisdiction for services in the area of the boundary extension from the Regional District to the City.

Section 15(b) of the *Local Government Act* requires Council to publish, in a newspaper, either a copy of the SLP or a synopsis that states where the SLP and a map of the boundary extension may be examined. A sample synopsis is enclosed for your information. This office will undertake the Gazette publication on your behalf, pursuant to section 15(a) of the *Local Government Act*.

A joint statutory declaration signed by the Mayor and yourself as to the population in the extended area is required in support of local government grant payments and is to be enumerated as at the effective date of June 19, 2003.

The declaration (sample enclosed) is a statement of the census enumerator who is to be a person separate from those making the declaration. The census should be carried out in accordance with the instructions outlined on the enclosed sheet and should be taken as quickly as possible in order to eliminate any delay in the payment of such grants. A "nil" return is required if there are no persons residing in the extended area.

Please return the completed declaration to Derek Trimmer, Local Government Structure Branch, Ministry of Community, Aboriginal and Women's Services, PO Box 9490 Stn. Prov. Govt., Victoria BC V8W 9N7.

It should be noted that under the *Local Government Act*, the bylaws of the municipality extend to the additional area and continue in force and effect until either altered or repealed by Council, except in the case where a specific bylaw has been adopted by a regional district for the subject area. In this instance, the regional district bylaw applies to the area of extension and continues in force and effect as if it were a bylaw of the municipality, until it is either amended or repealed by Council.
